

# DOG ADOPTION EVENT

Bring adorable puppies  
to your facility!

## *Pick a date*

Choose a date, a 1 to 3 hour window and we do the rest! We bring the pups, the pens, pee pads, toys and staff. You just provide the space. We send notices to Animal Control and you just need to get any clearances needed with your company.

## *Pick a location*

Tile or vinyl flooring are best but if the only space available is carpet, we can work with that too! We bring large waterproof pee pads and keep the pups in pens. No mess left behind!

## *How many dogs?*

The more dogs, the more staff is needed for logistics. The fees help cover the labor costs needed to make your event happen.

**Small events** (3-5 dogs): \$100 per hour

**Medium events** (6-15 dogs) \$200 per hour

**Large events** (16 or more dogs) \$300 per hour.

Your fee is a tax-deductible donation to a 501c3 non-profit organization. We can provide you with a W-9 if needed.
